DOTAZIONI:

Flybridge

Access from cockpit by GRP stairway
 GRP access hatch
 Front and side windscreens in tinted Plexiglas
 Two seats upholstered pilot bench with cushions and storage beneath
 Rounded 6 seater sofa with cushions and storage beneath
 Oddment tray
 Cushioned sunbathing area for 3
 GRP roll bar to support mast, navigation lights, flagpole
 Stainless steel handrails
 Covered sink in GRP with cabinet and fridge/cool box unit
 Helm wheel in white painted alloy
 Cover for the flybridge instrument board (including pilot's seat)
 Hand operated adjustable spot
 Switch for: left/right trim tabs
 Instrumentation lights
 Start/Stop engine
 Alarm test
 Chain wash down
 Anchor winch (integrated in the gauge)

Interfaced electronic instrumentation

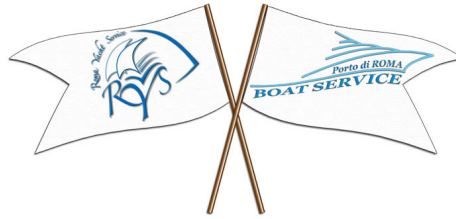

Raymarine ST 6001 + automatic pilot
 GPS 120 antenna
 12V lighter type socket
 Cruise command single-lever engine controls with synchronism function
 Acoustic and optional engine alarms
 Engine rev. counters
 Engine cooling water temperature gauges
 Engine oil pressure gauges
 Chain meter counter
 Acoustic alarm for bilge pump
 VHF

Bow

Anchor chain housing (75m)
 20 kg anchor
 1000 W, 24V anchor winch, 10 mm 24V barbotin and capstan drums
 Anchor stored in hawse
 Bow storage for fenders
 6 fenders
 Tempered plate glass windows integrated in GRP structure
 Electrically operated windscreen wipers and washers
 4 bites + 2 at mizzen
 Window covers

Stern

Stern fairleads in stainless steel incorporated in deck design
 Non slip deck walkways
 Fuel intakes with flush covers
 Fresh water intake
 Handrails and deck accessories in ovalized stainless steel
 Stainless steel fender holder
 Antifouling paint
 Navigation lights
 Side inscriptions
 Double steel and tempered plate glass
 Cockpit bench with storage and access to the aft machinery space
 Cockpit cushions
 Closing side compartments in cockpit
 Cockpit lights
 Two watertight loudspeakers (connected to the stereo in the saloon)
 Access from the cockpit hatch to engine room/machinery compartment
 Hot and cold cockpit shower
 Electro-hydraulic gangway 2.5m (160kg lifting capacity)
 Bathing platform (1.10m) with tender mounts
 Stainless steel/teak/bathing ladder
 Boat hock
 Mooring lines
 220 V shore power socket

Dinette

Carpet
 Tableware and glassware for 6
 Cherry wood helm seat base
 C-sharped sofa for 6
 Bench sofa for 2, opposite
 Cherry and burl wood height-adjustable coffee table that converts into a dining table
 Access stairs to lower deck
 Overhead in synthetic leather
 Bulkheads covered in synthetic leather
 Hatch to engine room

Galley

3 burner ceramic hob with fiddle-rail
 Microwave oven and grill
 Two sinks with Granulon worktop
 Extractor
 120 l fridge
 Cabinets and shelves in polycyclic-varnished cherry wood
 Cookware set in stainless steel
 Dossier floor
 Rubbish container
 Mixer tap with pull-out hot and cold shower tap
 Porthole

Wheelhouse

Two-seat pilot bench
 Stainless steel and teak steering wheel
 Controls for:
 battery parallel connection
 acoustic alarm
 left/right windscreen wiper/washer
 Anchorage light
 Navigation light
 Instrument lights
 Engines synchro function (using the cruise command lever)
 Bilge pump switch
 Steering lights
 Chain washdown
 Engine room extractors
 Chain winch
 Left/right sliding electric windows

Left and right trim tab control with trim indicators
 Generator control panel

Interfaced electronic instrumentation:

Raymarine ST 60 Tridata multifunction display
 Raymarine ST 6001 + multifunction display-automatic pilot
 GPS Plotter Raymarine Raychart 520+
 VHF
 Magnetic compass
 12V lighter-type socket
 Cruise command single-lever electronic remote control levers
 Engine start/stop keys

Full engine instrumentation including:

Acoustic and optical alarms, engine rev. counters, hour meters, Ammeters, trim tab angle gauge; engine oil pressure gauges;; engine cooling
 Water temperature gauges; fuel level gauge; water level gauge

Generator

3.5 kW electric generator set

Batteries

2 180Ah batteries to start engines
 4 180Ah batteries for services
 1 80 Ah battery to start generator

Bilge pump system

3 automatic pumps directly wired to battery set or manual activation through switches at helm station
 Manual pumping system with 2 hand pumps
 Engine room emergency bilge system with change over valve on engine cooling system
 Acoustic alarms in wheelhouse and fly

Fuel system

Two steel tanks (850 l each)
 Tanks connected with 1 " pump
 Level gauge for port side fuel tank in wheelhouse
 Gauge on starboard tank
 Racor filter

Fresh water system

Stainless steel tank (max 500l)
 12V pressure pump
 Hot and cold running water in all toilets bathrooms, cockpit and galley
 Cold water line to engine room & flybridge
 Stainless steel water heater with 40l capacity
 Chain wash down system
 Grey water automatic holding tank

Extras

Third cabin	Tropical Air Condition
Flybridge Cover	Bow Thruster
Cockpit Cover	12V Extra Sockets
Binimi Top	220V Extra Sockets
Coach roof Cushions	Crew Cabin
Decor Prestige	(w/air-condition & Toilets)
Teak Laid Cockpit Floor	220V for refrigerator
Dimmers for Internal lights	Ice Maker
Radar Plotter GPS at Flybridge	Mosquito Net for Portholes
Raymarine SEATALK	DVD
Radar Antenna	LCD TV
TRIM INDICATOR on FLY	Life raft
TV System (Antenna)	Avon RIB 280 with 9.9, jockey wheel
CD on FLY + Cockpit Remote	Builders certificate
TWO extra speakers	Certificate of origin
CD changer	Export documents
Generator 11 kw
